

## Information Session and Interview For PhDs and PostDocs

P&G PhD Recruiting will hold an information session for PhDs and PostDocs interested in learning more about the science and technology behind our brands, as well as career opportunities with P&G (pizza and soda will be provided).

**Tuesday, October 4, 2011 (from 6-7 PM)**  
**Conte Polymer Research Center Auditorium (A110-111)**

P&G is hiring qualified **doctoral** and **postdoctoral scientists** in **Engineering, Physical Science** and **Life Science** for a variety of challenging R&D positions in Cincinnati and Boston. Further, P&G is actively recruiting eligible foreign nationals and foreign permanent employees interested in returning overseas for employment at our Beijing Technical Center. Qualified candidates will have a PhD or be within 12 months of degree attainment. Interested applicants should apply online at [www.experiencepg.com](http://www.experiencepg.com).

**Campus interviews will be held Oct 4-5 from 8 AM to 5 PM for those pre-selected.**

Interested candidates can send their resumes to the following:  
Chemistry Department PhDs & Post Docs – to JM Stowe ([jms@chem.umass.edu](mailto:jms@chem.umass.edu))  
PSE Department PhDs & Post Docs - to Lisa Groth ([lgroth@polysci.umass.edu](mailto:lgroth@polysci.umass.edu))  
All remaining departments PhDs & Post Docs - to Dr. Robin McKiernan at [mckiernan.rl@pg.com](mailto:mckiernan.rl@pg.com).
